

Lampson Reservoir Solar Photovoltaic Systems Installation & Magnolia Street Median Irrigation Retrofit

Eligible Applicant Documentation

Documentation	Status of Compliance Documents
Is the applicant a local agency, joint powers authorities, or nonprofit organization, as defined in Appendix B?	The City of Garden Grove is a local agency.
What is the statutory or other legal authority under which the applicant was formed and is authorized to operate?	General Law City
Does the applicant have legal authority to enter into a grant agreement with the State of California?	Yes, the City Manager can execute agreements on behalf of the City.
Describe any legal agreements among partner agencies and/or organizations that ensure performance of the project and tracking of funds.	The City of Garden Grove is the sole applicant.

Urban Water Management Compliance

The City of Garden Grove is an urban water supplier; Garden Grove serves more than 3,000 connections and supplies more than 3,000 acre-feet of water per year (AFY). Therefore, self-certification for California Water Code (CWC §525 et seq.) and Assembly Bill (AB) 1420 (CWC §10631.5) is required. The documents included in Attachment 1 are: 1) the DWR verification stating Garden Grove's 2010 UWMP addresses the requirements of the California Water Code, 2) the status of the AB 1420 and GPCD Compliance with SBX 7-7 requirements, and 3) the water meter self-certification documents.
